

Longopac[®] Cabinet

– no time to waste

A user-friendly
waste system
that also protects
the environment

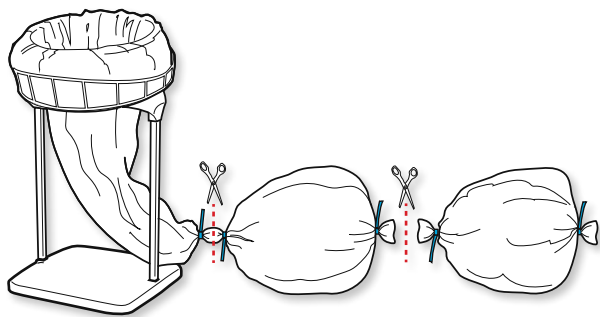

- Efficient
- Hygienic
- Environmentally friendly

A cabinet that makes your waste handling simpler

With Longopac Cabinet you solve your waste handling once and for all. Longopac Cabinet is a robust cabinet that is assembled and ready to use.

EFFICIENT

- Longopac Cabinet is loaded with a Longopac bag cassette up to 110 meters in length.
- Variable bag size for flexible changing intervals.
- New bag always in place.
- Bag always securely sealed.
- Quick bag replacement – saves time.
- Less cleaning – waste never misses the bag.
- Variable bag size always ensures bags are 100 % full.

HYGIENIC

- No waste misses the bag.
- No waste on the floor. Not even during bag change.
- No contact with the waste.

ENVIRONMENTALLY FRIENDLY

- Longopac bags are manufactured from three-ply polyethylene – low material consumption and high strength.

Longopac Cabinet is loaded with a Longopac cassette. Available in a variety of strengths and colours as well as 100 % compostable for organic waste.
